### About Bitfarms Ltd.

Founded in 2017, Bitfarms is a global Bitcoin self-mining company, running vertically integrated mining operations with onsite technical repair, proprietary data analytics and company-owned electrical engineering and installation services to deliver high operational performance and uptime. Having demonstrated rapid growth and stellar operations, Bitfarms became the first Bitcoin mining company to complete its long form prospectus with the Ontario Securities Commission and started trading on the TSX-V in July 2019. On February 24, 2021, Bitfarms was honoured to be announced as a Rising Star by the TSX-V. On June 21, 2021, Bitfarms started trading on the Nasdaq Stock Market. Bitfarms has a diversified production platform with five industrial scale facilities located in Québec. Each Canadian facility is over 99% powered with environmentally friendly hydropower and secured with long-term power contracts. Bitfarms is currently the only publicly traded pure-play Bitcoin mining company audited by a Big Four audit firm.
